

## Personal Life Insurance - *Made Easy*

**We're excited to offer you GoLife via our Employee Benefits Advisor, TRG Group!**

GoLife is an online experience that offers you a user-friendly approach to personal life insurance. GoLife is designed to ensure that you apply for appropriate life insurance for your personalized needs.

### You will have access to:

- Education - GoLife's Knowledge Centre (articles & videos)
- Help - Professional advisors
- Technology - switch between devices, resumable application, up-to-date security and privacy
- Service - ongoing policy advice and guidance

### Small Cost, Big Protection

GoLife's goal is to make life insurance affordable and accessible to Canadian families, with access to quality personal life insurance advice. Individual benefits of a personal life insurance policy:

- Easy access to needed protection
- Policy belongs to you
- Safeguards to protect from being over-insured
- Portable coverage (it does not terminate if you leave your employer)
- Significant savings compared to "mortgage insurance"
