## Preferred Vision Service to be discontinued effective January 1, 2018

We've been pleased to include the Preferred Vision Service (PVS) as an added feature to our group benefits for several years. However the service will be discontinued effective January 1, 2018 because the service provider is disbanding.

This notice serves as an addendum to your group benefits booklet.

The removal of the service is beyond our control. References to PVS will be removed from your booklet the next time it is updated. In the meantime, please disregard any mentions of PVS in your current booklet.
