

Keep more of your money with your RRSP

The RRSP contribution deadline for the 2016 tax year is **March 1, 2017**.

Your RRSP is a smart way to save – you get tax relief because your contributions are deducted from your income each year and your savings grow tax-free until they're withdrawn. When you save in your group RRSP, you're also benefitting from typically lower fees.

It's easy to make a contribution:

- Check the Notice of Assessment you received after filing your taxes last year to see how much RRSP contribution room you may have. Can't find it? Get a copy [here](#).
- Complete the form at www.formsfor saving.com and mail it with your cheque to the address on the form.
- Or use [online banking](#) to quickly make your contribution or transfer in a lump sum.
