

Do you know how much you need for retirement?

Watch the free three-part online education series, *How much is enough?* to learn more

PART

1

How much is enough?

(12 minutes)

Knowing how much you'll need in retirement might be more important than knowing when you'll retire.

Learn about:

- Where your retirement income will come from
- How your cost of living could change
- Creating and maintaining a budget

PART

2

How do I get there?

(10 minutes)

What can you do to make the most of your savings opportunities?

Learn about:

- Maximizing your contributions
- Taking advantage of generally lower fees
- Transferring savings into your group plan (when allowed)

PART

3

Grow your savings

(9 minutes)

Taking an active role in your group retirement and savings plan can really help grow your savings.

Learn about:

- Smart investing concepts
- The impact of withdrawals on your savings
- Using the *Plan your retirement* tool
