

RTI Refrigeration Training Institute

Technical Training Pre-Registration

RTI will be opening this spring to offer Refrigeration & Air Conditioning Mechanic (RACM) Apprenticeship training to all ITA registered RACM apprentices

We are requesting the following information to help ensure you receive your technical training (TT) in a timely manner.

Name	
ITA ID #	
Email	
Cell #	
Employer	
Hrs completed (ITA transcript)	
Date hours completed	
TT level Required	
Last TT Level Completed	
Date of Completion	
Were you registered for a class?	
Scheduled start date & Class ID	
Do you want to be added to RTI's email contact list? If so, Please sign	

Note, this form does not register you for a class. It will be used to assist in determining scheduling of classes only.

Once the RTI website and registry have been set-up and the class schedules are determined you will be contacted to complete the registration process.

Please return this completed form to: info@rtia.ca
