

Your parents did a
lot to keep you safe.

Now you can return
the favour.

As part of your Teladoc Medical Experts benefit, your parents and parents-in-law have access to the same expert medical benefits as you.

Teladoc Medical Experts understands that medical uncertainty affects the whole family. We want to make sure you are confident in your parents' and parents-in-law's medical decisions, as well as your own. That is why no matter the complexity of the condition, your parents or parents-in-law can contact Teladoc Medical Experts. Just like you, they can get an in-depth medical review of an existing diagnosis and treatment, help deciding if surgery is right for them, and answers to their medical questions— **all at no cost as part of your Canada Life benefits.**

Parents do so much to protect their children. Now you can help protect yours from medical uncertainty.

Remind your parents and parents-in-law that as part of your benefits, they have access to Teladoc Medical Experts at 1-877-419-2378 or online at Teladoc.ca/canadalife.
