

March 30th, 2023

Position: HVAC/R Journeyman

Location: Whistler, Sea to Sky Corridor
Job Type: Full-Time
Salary: From \$67.64 per hour

At Haakon Mechanical Services, we believe that an individual's quality is the essential factor to consider when hiring HVAC technicians. Therefore, our team consists of professionals who prioritize customer service and are motivated to build successful careers.

We take pride in our collaborative and supportive work environment. Our company provides Emergency Service, Maintenance, Quoted Repair, and Retrofit Services to Commercial and Strata markets throughout the Lower Mainland and Sea to Sky.

We believe in proactive maintenance services and work on all types of equipment, from small water source heat and pumps to large chillers and geothermal systems.

Our philosophy is to focus on putting our technicians FIRST. Therefore, we equip them with all the necessary for strive, tools, clothes, training, reliable work vehicles, and technology aids to perform quality work and build strong relationships with customers as trusted advisors.

We provide opportunities for career advancement and promotion from within. We are currently seeking qualified Refrigeration Mechanics, Gas Fitters, and Apprentices, including green apprentice candidates who wish to join our fantastic trade.

Our technicians have a broad scope of responsibilities, including quoting, customer coordination, managing job priorities, reporting, and technical work such as diagnosing, repairing, replacing, and maintaining. At Haakon Industries, we expect our technicians to be self-motivated, organized, and willing to learn continuously.

The position offers the flexibility of remote work. "Be your own boss."

Benefits:

- Company car
- Company events
- Company pension
- Dental care

- Disability insurance
- Extended health care
- Flexible schedule
- Life insurance
- Vision care

Schedule:

- 40hrs p/week
