

Refrigeration Service Technician

The Opportunity

This is a hands-on field position covering a large service territory across Interior BC. You will work independently, managing your day on the road and delivering high-quality service to commercial grocery and retail clients. If you take pride in your craft and want variety in your work, this role delivers.

Wage & Benefits

We pay the **Local 516 Independent Vancouver Island wage package** — competitive compensation commensurate with your level and experience

Benefits provided by UA516.

Paid Coffee hours 2 hrs a week

What the Role Involves

- Servicing and troubleshooting **CO2 transcritical refrigeration systems**
- Commercial refrigeration, mechanical repairs and maintenance
- Electronic and mechanical **controls systems** (Micro Thermo, Danfoss, Emerson)
- Large driving territory — semi-regular **out-of-town travel and overnight stays** required
- **On-call rotation** every 3 weeks (8 hours standby pay)
- Direct customer-facing work with store management and personnel

Required Qualifications

- **Red Seal** — Refrigeration and Air Conditioning Mechanic with **Gas B** license
- 3rd–4th year Apprentices with **supermarket or commercial refrigeration experience**
- **TDG** (Transportation of Dangerous Goods) certification
- Valid BC Class 5 driver's license with a **clean driver's abstract**
- Experience with CO2 refrigeration systems and commercial controls is a strong asset

Who We're Looking For

- An **owner mindset** — you take pride and ownership in every job
- A true **self-starter**, comfortable working independently in the field
- Strong **customer service** skills and professional communication
- Team player with motivation to learn and share knowledge within a group setting
- Adaptable and comfortable with winter driving and extended travel
