

WE ARE HIRING

Redline Refrigeration is looking for an HVAC technician (2nd, 3rd, or 4th-year apprentice or journeyman) to join our team. Redline is a Union HVAC/R company based in Chilliwack.

Come join our team of 5 skilled technicians. Our customer base is primarily between Hope and Langley. Redline prioritizes employee convenience by keeping employees close to home to minimize travel time. Redline pays over union rate after a probationary period.

Responsibilities:

- Diagnose and perform equipment repairs and replacement
- Perform routine preventative maintenance
- Document work done in our electronic dispatch program

Qualifications:

- Minimum 2-5 years experience in HVAC or other related fields
- Valid BC driver's license (required)
- Gas A ticket is an asset

Please email resumes to: office@redlinerefrigeration.com
