RRSP Season Update, 2024

RRSP RECEIPTS

You will receive two RRSP receipts from Canada Life. The RRSP receipt for contributions between March 2nd – December 31st, 2023, will be mailed on or before January 31st, 2024. You will then receive a second receipt for contributions made within the first 60 days of 2024 by mid-March.

It is important to ensure you include your Group RRSP contribution receipts when filing your 2023 income tax return. Duplicate copies of your receipts may be downloaded from [my Canada Life at work](#) as soon as the receipts are mailed.

LUMP SUM CONTRIBUTIONS

Canada Life has made it very easy to make a lump sum contribution to your Group RRSP account ahead of the February 29th, 2024, deadline.

You can contribute by pre-authorized payment from your personal banking website, select '*Canada Life Group RRSP*' as the payee, and enter your account number. Your account information can be found at www.mycanadalifeatwork.com and on your member statement.

Be sure to double-check your CRA Notice of Assessment you received after filing your latest tax return to see how much RRSP contribution room you have.

Can't find it? Login to [CRA's My Account website](#), a secure portal that lets you view your personal RRSP limit and other personal tax information. Please remember that you are responsible for managing your own personal RRSP contribution room limit.
